Dear Class of 2023, 2024, 2025 Parents and Guardians,

Although it seems hard to believe, your son or daughter is nearing the completion of the first semester of yet another year of schooling.

Beneath the Surface your child is more than just a SHS student. A great way to acknowledge his or her personality, talents, and character is to purchase an ad in the Highlander yearbook.

For only \$5 tell readers about your child's hard work and personality, provide encouragement or share words of wisdom.

Enclosed is an order form to reserve a spot for your message to your child.

If you need additional information or clarification please email Ms. Zumpano at maria.zumpano@garrettschools.org

Please help us to make the 2022 Highlander yearbook a memorable keepsake for your child. ***It's a gift they will appreciate more and more as the years pass by.***

Sincerely,

Maria Zumpano, Advisor
